“We Carry the Spark” Song

Geula Garden Global Shema Initiative

From the east unto the west
From the silence to the song
Every soul a living spark
Calling all the world along

Shema Yis-ra-el...
Hear, O Israel...

We plant hope in every land
We lift light with every hand
Every moment, every name
Every heart a single flame

Shema Yis-ra-el...
Ha-Shem Echad...

Through the desert, through the rain
Through the sorrow, through the pain
Still the garden waits to rise
Beneath the turning of the skies

Shema Yis-ra-el...
Ha-Shem Echad...

One world turning
One voice returning
One people remembering
The world was planted in hope

From generation unto generation
We carry the song
We carry the spark

Shema Yis-ra-el
Ha-Shem Elokeinu
Ha-Shem Echad
